

§ 1210.6 Test preparation and conduct.

(a) *Programming by user.* The user will be given the greatest possible freedom within the objectives of the scheduled program to obtain the quality and quantity of information desired, to determine the sequence and number of test runs to be made, and to make modifications to the program arising from the results obtained, subject to requirements of safety, energy conservation, practicability, and the total time assigned.

(b) *Model systems criteria.* Information will be furnished for each facility on the permissible size of model, standard balances, safety margins to be used in the design of models, model mounting details, and other pertinent factors. All model systems criteria required by the facility for safety consideration including the necessary drawings and stress analyses of the articles to be tested will be furnished at a time specified by the facility staff for their use in preparing for the test.

(c) *Instrumentation.* Each facility will provide basic instrumentation suitable for the test range of the respective facility and computing equipment for the reduction of test data. If the basic instrumentation furnished by the facility does not meet these test requirements, the user will provide suitable instrumentation which will be calibrated by the facility staff to ensure accuracy of measurement. This instrumentation will be made available sufficiently in advance of the test date to accomplish the calibration. Serious delays arising from inaccuracies in user supplied instrumentation, if occurring during the scheduled test period, may result in re-assignment of the position of the tests on the facility schedule. Detailed specifications and arrangements for special instrumentation will be established by mutual agreement. The user will be required to furnish all information necessary to prepare the data reduction software program at a date specified by the facility staff.

(d) *Test program.* All tests will be conducted under NASA supervision and by NASA personnel or by NASA support service contractor personnel unless approved otherwise by the facility manager. The test program shall be approved by NASA personnel before the

test project is accepted. By agreement between the user (company representatives or the requesting agency) and the center staff, changes in the test program may be made within the objectives of the scheduled program if time is available. When tests are not totally conducted by NASA personnel or by NASA support service contractor personnel, the NASA Field Installation Safety Officer shall verify that the user personnel are fully cognizant of facility safety problems and operations. A current SAR on the facility shall be available to the user personnel for review.

(e) *Test data.* The NASA staff will be responsible for obtaining all test data, its reduction to suitable coefficient form, and the accuracy of the final data, but NASA will assume no responsibility for the interpretation of the data by others. Transmittal of the data will be made as soon as the test is completed and the data are deemed releasable by NASA. For company projects, the data will be transmitted as directed by the company. The data for Government projects will be transmitted simultaneously to the sponsoring Government agency and the contractor (if applicable), unless otherwise directed by the sponsoring agency.

(f) *Shops and office space.* During the conduct of user testing, NASA will provide desk space and at least limited use of the shop facilities to the user whose projects are under test.

(g) *User furnished personnel.* User personnel associated with each project will be agreed upon between the user and facility staff prior to the test.

Subpart 1212.1—Basic Policy

§ 1212.100 Scope and purpose.

This part 1212 implements the Privacy Act of 1974, as amended (5 U.S.C. 552a). It establishes procedures for individuals to access their Privacy Act records and to request amendment of information in records concerning them. It also provides procedures for administrative appeals and other remedies. This part applies to systems of records located at or under the cognizance of NASA Headquarters, NASA Field Installations, and NASA Component Installations, as defined in part 1201 of this chapter.

§ 1212.101 Definitions.

For the purposes of this part, the following definitions shall apply in addition to definitions contained in the Privacy Act of 1974, as amended (5 U.S.C. 552a):

(a) The term *individual* means a living person who is either a citizen of the United States or an alien lawfully admitted for permanent residence.

(b) The term *maintain* includes maintain, collect, use or disseminate.

(c) The term *record* means any item, collection, or grouping of information about an individual including, but not limited to, education, financial transactions, medical history, and criminal or employment history, and that contains a name, or the identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or a photograph.

(d) The term *system of records* means a group of any records from which information is retrieved by the name of the individual or by some identifying number, symbol or other identifying particular assigned to the individual.

(e) The term *system manager* means the NASA official who is responsible for a system of records as designated in the system notice of that system of records published in the FEDERAL REGISTER. When a system of records includes portions located at more than one NASA Installation, the term *system*

manager includes any subsystem manager designated in the system notice as being responsible for that portion of the system of records located at the respective Installation.

(f) The term *systems notice* means, with respect to a system of records the publication of information in the FEDERAL REGISTER upon establishment or revision of the existence and character of the system of records. The notice shall include that information as required by 5 U.S.C. 552a(e)(4).

(g) The term *routine use* means, with respect to the disclosure of a record, the use of the record for a purpose which is compatible with the purpose for which it was collected.

(h) The term *NASA employee* or *NASA official*, particularly for the purpose of § 1212.203(g) related to the disclosure of a record to those who have a need for the record in the performance of their official duties, includes employees of a NASA contractor which operates or maintains a NASA system of records for or on behalf of NASA.

(i) The term *NASA information center* refers to information centers established to facilitate public access to NASA records under part 1206 of this chapter. See § 1206.401 of this chapter for the address of each NASA information center.

Subpart 1212.2—Access to Records

§ 1212.200 Determining existence of records subject to the Privacy Act.

The procedures outlined in this subpart 1212.2 apply to the following types of requests under the Privacy Act made by individuals concerning records about themselves:

- (a) To determine if information on the requester is included in a system of records;
- (b) For access to a record; and
- (c) For an accounting of disclosures of the individual's Privacy Act records.

§ 1212.201 Requesting a record.

(a) Individuals may request access to their Privacy Act records, either in person or in writing.

(b) Individuals may also authorize a third party to have access to their Privacy Act records. This authorization

shall be in writing, signed by the individual and contain the individual's address as well as the name and address of the representative being authorized access. The identities of both the subject individual and the representative must be verified in accordance with the procedures set forth in § 1212.202 of this part.

(c)(1) Requests must be directed to the appropriate system manager, or, if unknown, to the NASA Headquarters or Field Installation Information Center. The request should be identified clearly on the envelope and on the letter as a "Request Under the Privacy Act."

(2) Where possible, requests should contain the following information to ensure timely processing:

- (i) Name and address of subject.
- (ii) Identity of the system of records.
- (iii) Nature of the request.
- (iv) Identifying information specified in the applicable system notice to assist in identifying the request, such as location of the record, if known, full name, birth date, etc.

(d) NASA has no obligation to comply with a nonspecific request for access to information concerning an individual, e.g., a request to provide copies of "all information contained in your files concerning me," although a good faith effort will be made to locate records if there is reason to believe NASA has records on the individual. If the request is so incomplete or incomprehensible that the requested record cannot be identified, additional information or clarification will be requested in the acknowledgement, and assistance to the individual will be offered as appropriate.

(e) If the information center receives a request for access, the Information Center will record the date of receipt and immediately forward the request to the responsible system manager for handling.

(f) Normally, the system manager shall respond to a request for access within 10 work days of receipt of the request and the access shall be provided within 30 work days of receipt.

(1) In response to a request for access, the system manager shall:

(i) Notify the requester that there is no record on the individual in the system of records and inform the requester of the procedures to follow for appeal (See § 1212.4);

(ii) Notify the requester that the record is exempt from disclosure, cite the appropriate exemption, and inform the requester of the procedures to follow for appeal (See § 1212.4);

(iii) Upon request, promptly provide copies of the record, subject to the fee requirements (§ 1212.204); or

(iv) Make the individual's record available for personal inspection in the presence of a NASA representative.

(2) Unless the system manager agrees to another location, personal inspection of the record shall be at the location of the record as identified in the system notice.

(3) When an individual requests records in a system of records maintained on a third party, the request shall be processed as a Freedom of Information Act (FOIA) request under 14 CFR part 1206. If the records requested are subject to release under FOIA (5 U.S.C. 552(b)), then a Privacy Act exemption may not be invoked to deny access.

(4) When an individual requests records in a system of records maintained on the individual, the request shall be processed under this part. NASA will not rely on exemptions contained in FOIA to withhold any record which is otherwise accessible to the individual under this part.

§ 1212.202 Identification procedures.

(a) The system manager will release records to the requester or representative in person only upon production of satisfactory identification which includes the individual's name, signature, and photograph or physical description.

(b) The system manager will release copies of records by mail only when the circumstances indicate that the requester and the subject of the record are the same. The system manager may require that the requester's signature be notarized or witnessed by two individuals unrelated to the requester.

(c) Identity procedures more stringent than those required in this section may be prescribed in the system notice

when the records are medical or otherwise sensitive.

§ 1212.203 Disclosures.

(a) The system manager shall keep a disclosure accounting for each disclosure to a third party of a record from a system of records. This includes records disclosed pursuant to computer matching programs (See NASA Management Instruction (NMI) 1382.18).

(b) Disclosure accountings are not required but are recommended for disclosures made:

(1) With the subject individual's consent; or

(2) In accordance with § 1212.203(g) (1) and (2), below.

(c) The disclosure accounting required by paragraph (a) of this section shall include:

(1) The date, nature, and purpose of the disclosure; and

(2) The name and address of the recipient person or Agency.

(d) The disclosure accounting shall be retained for at least 5 years after the disclosure or for the life of the record, whichever is longer.

(e) The disclosure accounting maintained under the requirements of this section is not itself a system of records.

(f) Records in a NASA system of records may not be disclosed to third parties without the consent of the subject individual. However, in consonance with 5 U.S.C. 552a(b), disclosure may be authorized without consent, if disclosure would be:

(1) To an officer or employee of NASA who has a need for the record in the performance of official duties;

(2) Required under the Freedom of Information Act (5 U.S.C. 552) and part 1206 of this chapter;

(3) For a routine use described in the system notice for the system of records;

(4) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of Title 13, U.S. Code;

(5) To a recipient who has provided NASA with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be

§ 1212.204

14 CFR Ch. V (1–1–04 Edition)

transferred in a form that is not individually identifiable;

(6) To the National Archives and Records Administration as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government or for evaluation by the Archivist of the United States or the Archivist's designee to determine whether the record has such value;

(7) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity, if the activity is authorized by law and if the head of the agency or instrumentality has made a written request to NASA specifying the particular portion desired and the law enforcement activity for which the record is sought;

(8) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(9) To either House of Congress or, to the extent the matter is within its jurisdiction, any committee or subcommittee, or any joint committee of Congress or subcommittee of any such joint committee;

(10) To the Comptroller General, or any of the Comptroller's authorized representative(s), in the course of the performance of the duties of the General Accounting Office;

(11) Pursuant to the order of a court of competent jurisdiction; or

(12) To a consumer reporting agency in accordance with section 3711(f) of Title 31.

§ 1212.204 Fees.

(a) Fees will not be charged for:

(1) Search for a retrieval of the requesting individual's records;

(2) Review of the records;

(3) Making a copy of a record when it is a necessary part of the process of making the record available for review;

(4) Transportation of the record(s);

(5) Making a copy of an amended record to provide evidence of the amendment; or

(6) Copies of records if this is determined to be in the best interest of the Government.

(b) Fees for the duplication of records will be assessed in accordance with § 1206.700(a) of this chapter.

(c) Where it appears that duplication fees chargeable under this section will exceed \$25, the requester shall be provided an estimate of the fees before copies are made. Where possible, the requester will be afforded the opportunity to confer with Agency personnel in a manner which will reduce the fees, yet still meet the needs of the requester.

(d) Where the anticipated fee chargeable under this section exceeds \$25, an advance deposit of part or all of the anticipated fee may be required.

§ 1212.205 Exceptions to individual's rights of access.

(a) The NASA Administrator has determined that the systems of records set forth in § 1212.501 are exempt from disclosure to the extent provided therein.

(b) *Medical records.* Normally, an individual's medical record shall be disclosed to the individual, unless the system manages, in consultation with a medical doctor, determines that access to the record could have an adverse effect upon the individual. In this case, NASA shall allow access to the record by a medical doctor designated in writing by the requesting individual.

(c) *Test and qualification materials.* Testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process and copies of certificates of eligibles and other lists of eligibles, the disclosure of which is proscribed by 5 CFR 300.201, shall be removed from an individual's record containing such information before granting access.

(d) *Information compiled for civil actions or proceedings.* Nothing in this part shall allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

Subpart 1212.3—Amendments to Privacy Act Records

§ 1212.300 Requesting amendment.

Individuals may request that NASA amend their records maintained in a NASA system of records. This request shall be in writing, addressed to the appropriate system manager, and shall contain the following:

- (a) A notation on the envelope and on the letter that it is a "Request for Amendment of Individual Record under the Privacy Act;"
- (b) The name of the system of records;
- (c) Any information necessary to retrieve the record, as specified in the system notice for the system of records (See § 1212.201(c)(2));
- (d) A description of that information in the record which is alleged to be inaccurate, irrelevant, untimely, or incomplete; and,
- (e) Any documentary evidence or material available to support the request.

§ 1212.301 Processing the request to amend.

- (a) Within 10 work days of receipt by NASA of a request to amend a record, the system manager shall provide the requester with a written determination or acknowledgement advising when action may be taken.
- (b) When necessary, NASA may utilize up to 30 work days after receipt to provide the determination on a request to amend a record.
- (c) If the request for amendment is denied, the determination shall explain the reasons for the denial and inform the requester of the procedures to follow for appeal (See § 1212.4).

§ 1212.302 Granting the request to amend.

NASA shall make the requested amendment clearly on the record itself and all information deemed to be inaccurate, irrelevant, or untimely shall be deleted and destroyed. Incomplete information shall either be amended or deleted and destroyed. The individual shall then be informed in writing that the amendment has been made. If the inaccurate, irrelevant, untimely, or incomplete portion of the record has previously been disclosed, then the system

manager shall notify those persons or agencies of the amended information, referencing the prior disclosures (See § 1212.402).

Subpart 1212.4—Appeals and Related Matters

§ 1212.400 Appeals.

- (a) Individuals may appeal to the Assistant Deputy Administrator when they:
 - (1) Have requested amendment of a record and have received an adverse initial determination;
 - (2) Have been denied access to a record; or,
 - (3) Have not been granted access within 30 work days of their request.
- (b) An appeal shall:
 - (1) Be in writing and addressed to the Assistant Deputy Administrator, NASA, Washington, DC 20546;
 - (2) Be identified clearly on the envelope and in the letter as an "Appeal under the Privacy Act;"
 - (3) Include a copy of any pertinent documents; and
 - (4) State the reasons for the appeal.
- (c) Appeals from adverse initial determinations or denials of access must be submitted within 30 work days of the date of the requester's receipt of the initial determination. Appeals involving failure to grant access may be submitted any time after the 30 work day period has expired (See § 1212.201(f)).
- (d) A final determination on an appeal shall be made within 30 work days after its receipt by the Assistant Deputy Administrator, unless, for good cause shown, the Assistant Deputy Administrator extends such 30 work day period. Prior to the expiration of the 30 work day period, the requester shall be notified of any such extension.
- (e) If a denial of a request to amend a record is upheld, the final determination shall:
 - (1) Explain the basis for the detail;
 - (2) Include information as to how the requester goes about filing a statement of dispute under the procedures of § 1212.401; and,
 - (3) Include a statement that the final determination is subject to judicial review under 5 U.S.C. 552a(g).

§ 1212.401

§ 1212.401 Filing statements of dispute.

- (a) A statement of dispute shall:
 - (1) Be in writing;
 - (2) Set forth reasons for the individual's disagreement with NASA's refusal to amend the record;
 - (3) Be concise;
 - (4) Be addressed to the system manager; and,
 - (5) Be identified on the envelope and in the letter as a "Statement of Dispute under the Privacy Act."
- (b) The system manager shall prepare an addendum to the statement explaining the basis for NASA's refusal to amend the disputed record. A copy of the addendum shall be provided to the individual.
- (c) The system manager shall ensure that the statement of dispute and addendum are either filed with the disputed record or that a notation appears in the record clearly referencing the statement of dispute and addendum so that they may be readily retrieved.

§ 1212.402 Disclosure to third parties of disputed records.

- (a) The system manager shall promptly provide persons or agencies to whom the disputed portion of a record was previously disclosed and for which an accounting of the disclosure exists under the requirements of § 1212.203 of this part, with a copy of the statement of dispute and addendum, along with a statement referencing the prior disclosure. The subject individual shall be notified as to those individuals or agencies which are provided with the statement of dispute and addendum.
- (b) Any subsequent disclosure of a disputed record shall clearly note the portion of the record which is disputed and shall be accompanied by a copy of the statement of dispute and addendum.

Subpart 1212.5—Exemptions to Individuals' Rights of Access

§ 1212.500 Exemptions under 5 U.S.C. 552a (j) and (k).

- (a) These provisions authorize the Administrator of NASA to exempt certain NASA Privacy Act systems of

14 CFR Ch. V (1–1–04 Edition)

records from portions of the requirements of this regulation.

- (b) The Administrator has delegated this authority to the Assistant Deputy Administrator (See § 1212.701).

- (c) For those NASA systems of records that are determined to be exempt, the system notice shall describe the exemption and the reasons.

§ 1212.501 Record systems determined to be exempt.

The Administrator has determined that the following systems of records are exempt to the extent provided hereinafter.

- (a) *Inspector General Investigations Case Files*—(1) *Sections of the Act from which exempted.* (i) The Inspector General Investigations Case Files system of records is exempt from all sections of the Privacy Act (5 U.S.C. 552a) except the following: (b) relating to conditions of disclosure; (c) (1) and (2) relating to keeping and maintaining a disclosure accounting; (e)(4) (A) through (F) relating to publishing a system notice setting forth name, location, categories of individuals and records, routine uses, and policies regarding storage, retrievability, access controls, retention and disposal of the records; (e) (6), (7), (9), (10), and (11) relating to dissemination and maintenance of records, and (i) relating to criminal penalties. This exemption applies to those records and information contained in the system of records pertaining to the enforcement of criminal laws.

- (ii) To the extent that there may exist noncriminal investigative files within this system of records, the Inspector General Investigations Case Files system of records is exempt from the following sections of the Privacy Act (5 U.S.C. 552a): (c)(3) relating to access to the disclosure accounting, (d) relating to access to records, (e)(1) relating to the type of information maintained in the records; (e)(4) (G), (H), and (I) relating to publishing the system notice information as to agency procedures for access and amendment and information as to the categories of sources or records, and (f) relating to developing agency rules for gaining access and making corrections.

(2) *Reason for exemptions.* (i) The Office of Inspector General is an office of NASA, a component of which performs as its principal function activity pertaining to the enforcement of criminal laws, within the meaning of 5 U.S.C. 552a(j)(2). This exemption applies only to those records and information contained in the system of records pertaining to criminal investigations. This system of records is exempt for one or more of the following reasons:

(A) To prevent interference with law enforcement proceedings.

(B) To avoid unwarranted invasion of personal privacy, by disclosure of information about third parties, including other subjects of investigation, investigators, and witnesses.

(C) To protect the identity of Federal employees who furnish a complaint or information to the OIG, consistent with section 7(b) of the Inspector General Act of 1978, as amended, 5 U.S.C. App.

(D) To protect the confidentiality of non-Federal employee sources of information.

(E) To assure access to sources of confidential information, including that contained in Federal, State, and local criminal law enforcement information systems.

(F) To prevent disclosure of law enforcement techniques and procedures.

(G) To avoid endangering the life or physical safety of confidential sources and law enforcement personnel.

(ii) Investigative records within this system of records which are compiled for law enforcement purposes, other than material within the scope of subsection (j)(2), are exempt under the provisions of 5 U.S.C. 552a(k)(2): *Provided, however,* That if any individual is denied any right, privilege, or benefit that they would otherwise be entitled by Federal law, or for which they would otherwise be eligible, as a result of the maintenance of such material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to January 1, 1975, under an implied promise that the

identity of the sources would be held in confidence. This system of records is exempt for one or more of the following reasons:

(A) To prevent interference with law enforcement proceedings.

(B) To protect investigatory material compiled for law enforcement purposes.

(C) To avoid unwarranted invasion of personal privacy, by disclosure of information about third parties, including other subjects of investigation, law enforcement personnel, and sources of information.

(D) To fulfill commitments made to protect the confidentiality of sources.

(E) To protect the identity of Federal employees who furnish a complaint or information to the OIG, consistent with section 7(b) of the Inspector General Act of 1978, as amended, 5 U.S.C. App.

(F) To assure access to sources of confidential information, including that contained in Federal, State, and local criminal law enforcement information systems.

(G) To prevent disclosure of law enforcement techniques and procedures.

(H) To avoid endangering the life or physical safety of confidential sources and law enforcement personnel.

(iii) Records within this system of records comprised of investigatory material compiled solely for the purpose of determining suitability or eligibility for Federal civilian employment or access to classified information, are exempt under the provisions of 5 U.S.C. 552a(k)(5), but only to the extent that disclosure would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to January 1, 1975, under an implied promise that the identity of the source would be held in confidence. This system of records is exempt for one or more of the following reasons:

(A) To fulfill commitments made to protect the confidentiality of sources.

(B) To assure access to sources of confidential information, including that contained in Federal, State, and local criminal law enforcement information systems.

(b) *Security Records System*—(1) *Sections of the Act from which exempted.*

§ 1212.600

The Security Records System is exempted from the following sections of the Privacy Act (5 U.S.C. 552a): (c)(3) relating to access to the disclosure accounting; (d) relating to access to the records; (e)(1) relating to the type of information maintained in the records; (e)(4) (G), (H), and (I) relating to publishing the system notice information as to agency procedures for access and amendment, and information as to the categories of sources of records; and (f) relating to developing Agency rules for gaining access and making corrections.

(2) *Reason for exemption.* (i) Personnel Security Records contained in the system of records which are compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, Federal contracts, or access to classified information are exempt under the provisions of 5 U.S.C. 552a(k)(5), but only to the extent that the disclosure of such material would reveal the identity of the source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to January 1, 1975, under an implied promise that the identity of the sources would be held in confidence. This system of records is exempt for one or more of the following reasons:

(A) To fulfill commitments made to protect the confidentiality of sources.

(B) To assure access to sources of confidential information, including that contained in Federal, State, and local criminal law enforcement information systems.

(ii) Criminal Matter Records are contained in the system of records and are exempt under the provisions of 5 U.S.C. 552a(k)(2): *Provided, however,* That if any individual is denied any right, privilege, or benefit that they would otherwise be entitled by Federal law, or for which they would otherwise be eligible, as a result of the maintenance of such material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to January 1, 1975, under an im-

14 CFR Ch. V (1–1–04 Edition)

plied promise that the identity of the sources would be held in confidence. This system of records is exempt for one or more of the following reasons:

(A) To prevent interference with law enforcement proceedings.

(B) To protect investigatory material compiled for law enforcement purposes.

(C) To avoid unwarranted invasion of personal privacy, by disclosure of information about third parties, including other subjects of investigation, law enforcement personnel, and sources of information.

(D) To fulfill commitments made to protect the confidentiality of sources.

(E) To assure access to sources of confidential information, including that contained in Federal, State, and local criminal law enforcement information systems.
